\*These items vary, please complete and submit the Drive Kit Survey prior to purchase to ensure proper parts are sent.

## KIT OPTION 3

### NEW DRIVE STYLE

- ▼ Kit includes everything needed to “upgrade” older drives to the new style drive
- ▼ Easier access for chain replacement and service to drive reduces downtime
- ▼ Can be purchased without motors, if required (call for pricing)
- ▼ \*Installation options are available, call and schedule today!

\*Bake-Tech technician must install or supervise installation for warranty to apply.
