

RISE TOGETHER
WIN TOGETHER

CAREERS WITH AMF BAKERY SYSTEMS

A MIX OF WORKING HARD AND GIVING BACK

We believe in hard work and a zealous pursuit of excellence while keeping a sense of humor. Whether it's giving back or breaking bread, we value each other and the time we spend together.

We're committed to our communities. Our teammates embrace our shared purpose by actively participating in a variety of local, regional, and international charities. We empower our teammates to contribute to their communities in meaningful ways: hunger relief, supporting public education efforts, providing help for veterans, funding medical research, and more.

Some of the organizations we work with:

A MIX OF TEAM COLLABORATION AND INDIVIDUAL GROWTH

At AMF, our culture and shared values are spelled out in the Markel Style. We encourage and recognize teammates who bring these values to life each day.

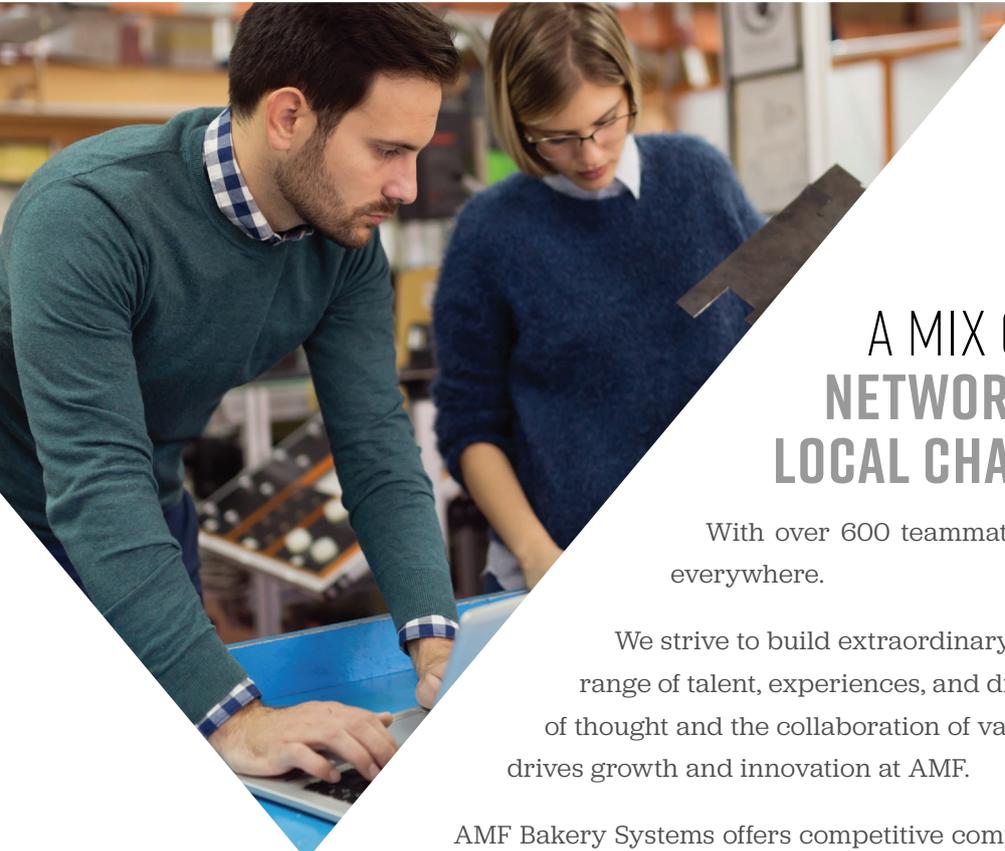

With the Style as our guide, our teams pursue excellence while enjoying their time together. Seeking to understand our customers' needs, we aim to build financial value for our shareholders while sharing success with others - ultimately winning together.

We're inspired to work hard and encouraged to challenge management in an effort to find better ways of doing things. At AMF, we believe in fostering the professional development and personal potential of our diverse workforce.

These fundamental values and core strategic focus are driven by the Markel Business System. This is how we ensure success for our company. It's who we are and how we do everything that we do.

A MIX OF GLOBAL NETWORKING AND LOCAL CHARM

With over 600 teammates around the globe, AMF is everywhere.

We strive to build extraordinary teams by seeking out a wide range of talent, experiences, and diverse backgrounds. Diversity of thought and the collaboration of various life experiences is what drives growth and innovation at AMF.

AMF Bakery Systems offers competitive compensation and benefits, along with excellent opportunities for growth throughout our organization globally and within the Markel Food Group.

Project Management | Skilled Manufacturing | Field Service & Installation | Internships

A MIX OF PIONEERING AND PROBLEM SOLVING

We develop the innovative automation solutions that create the baked goods you know and love: the sandwiches packed in a school lunch, the flaky pastries indulged in to start the day, the pizzas sliced to end a long week.

OUR VISION

At AMF, we're dedicated to working alongside our customers to produce better food for families around the world while creating better lives for our teammates, families, customers, and communities.

"It's the people that separate AMF from other companies. I consider these people to be my family. We take care of each other."
